

**Menwith Hill Station**  
**PSC 45**  
**APO AE 09468**

Welcome to RAF Menwith Hill in the beautiful North Yorkshire Dales.

Your arrival to RAF Menwith Hill will make you a part of a very elite group of dedicated professionals. We look forward to sharing your experiences and accomplishments; and we are confident you will play a vital role in our overall success. Commitment, drive, and passion for what we do is what helps the team achieve our goal of becoming the *Premier Cryptologic Communications Field partner – First to Know, First to Act, First to Team*. We thank you for accepting this challenge and turning it into an opportunity by joining us here in the United Kingdom.

Hand-in-hand with the role we play for the security of our respective Nations, we are committed to improve, day-by-day, the Quality of Life for our workforce and their families. In a collaborative way, all our organizations will make sure that you have the tools and information needed to be successful as part of the “Menwith Family.”

There is no “Second Chance” for a “First Impression.” To ensure that your transition to RAF Menwith Hill is a smooth one, we have scheduled an “Newcomers Orientation Briefing” for you. Please ask your sponsor about the date and time. From the Housing Office to the Post Office and the Family Support Center, you will hear from all the support organizations that will provide you with information and assistance during this transitional period; and, at the same time, you will meet other new members of our MHS family. We look forward to seeing you.

It is important to achieve a balance between work and your family. You could not be in a better place to do that than North Yorkshire. Take the time to enjoy the surrounding countryside. You will find a land full of stone walls, beautiful gardens, sheep, and history. The North Yorkshire Dales area is one of the most beautiful spots in the United Kingdom... get out there! We want you to explore all that Britain, our valued partner, has to offer. Please accept a warm welcome to the MHS Family – a family culturally rich and diverse that will provide you with a wealth of opportunities and exposure to unique “once in a lifetime” experiences.

Welcome to the Menwith Hill Station Family! We look forward to seeing you at the Newcomer’s Orientation.

CHARLES W. GILL, JR., Colonel USAF  
MHS Commander

IAN M. GARNETT, Squadron Leader, RAF
